

MANAGEMENT COMMITTEE

Please find below the names of all those who are standing for election to the Management Committee of the Newcastle Falcons Supporters Club.

	NAME	PEN PORTRAIT
	NERGAARD, Kevin	Hopefully, if elected, my fourth season as Treasurer for the Supporters Club. I watched my first Falcons game halfway through our promotion season of 96/97 and supported since then, attending virtually every home game and occasional away games. If you liked the way the books are looking, vote for me as Treasurer!
	PEAGAM, Emma	I've been following the Falcons for 8 seasons and been social secretary for 3 years. The youngest committee member, I bring a different view point to discussions. Lively, hard working and willing to chip in to get things done - you will often see me with a pint pot collecting raffle ticket money with Helen! If elected, I aim to reinstate the pre-match booty events! And no, I don't always agree with Martin!!
	PEAGAM, Martin	I have enjoyed my second year as Chairman of the Supporters Club. After getting a grip on the finances of the Supporters Club last year, we have started the process of developing the services on offer Members. We have revamped the website, published a new style Review, held plenty of social activities, provided a good quality experience for travellers without breaking the bank, and raised funds for some good causes. I would welcome the opportunity to continue this work and would ask you to show faith in me by electing me once again to the Committee of your Supporters Club.
	RICHARDSON, Steve	My second season standing for committee and well known to supporters through attending all games that involve NO PLANES! Hoping after a successful season in which we managed to reduce the average price of travel, and reduce losses while still making a donation to charity on behalf of those in fancy dress to carry on which should be an interesting season with lots more fun to be had."
	ROBERTS, Helen	A massive rugby fan, a Supporters Club member for many years and now, a third season as Fundraiser, if selected, both for charities and the Supporters Club. A season ticket holder in the South Stand and watching rugby is my passion, not least seeing my daughter progress in her women's rugby journey
	SHAW, Tony	Standing for what will be my third season on the Committee. If elected, I would like to continue the good work of the past two seasons and carry on into a third year with what I believe is fast becoming a successful team on and off the pitch
	SMITHURST, Margaret	Joining the Committee six seasons ago was a life changing experience. As Secretary, amongst other things, I organise Player of the Month and send out regular ezines giving Club information, but my meeting all the supporters is very special to me. Over the years, I have forged lifetime friendships and got fantastic memories! I'd love to be your secretary for next season.
	WALTER, Stef	Avid Falcons supporter of Italian origin, who travels miles to follow her beloved team, seeks a place on the Supporter's Club Committee as she is suitably barmy enough to fit in. Would love to have the chance to bring in fresh ideas and work together with fellow committee members to continue to develop this great supporter's club.
