Please find below the names of all those who are standing for election to the Management Committee of the Newcastle Falcons Supporters Club.

NAME		PEN PORTRAIT
	BRADLEY, Julia	Followed rugby since university, season ticket holder for 3 years and SC member for same. Moved back to England from Crete as Greeks do not play rugby! Enjoy socialising, away trips, camping, fell walking, shopping - not always in that order! Completed many reckless events for charity including jumping from planes (with parachute), a firewalk and zipline across the Tyne - but want to do more! I am enthusiastic and a great organiser, approachable and friendly. Would love to help rest of committee in pretty much any way I can!
	NERGAARD, Kevin	Hopefully, if elected, my fourth season as Treasurer for the Supporters Club. I watched my first Falcons game halfway through our promotion season of 96/97 and supported since then, attending virtually every home game and occasional away games. If you like the way the books are looking, vote for me as Treasurer!
	RICHARDSON, Steve	My third season standing for committee and well known to supporters through attending most games that involve NO PLANES! Hoping after a successful season in which we managed to reduce the average price of travel, and reduce losses while still making donations to charity on behalf of those in fancy dress to carry on what should be an interesting season with lots more fun to be had.
	ROBERTS, Helen	A massive rugby fan, a Supporters Club member for many years and now, a fourth season standing for committee, if elected. Season ticket holder (South Stand) and watching rugby is my passion, not least seeing my daughter progress in her England women's rugby journey
	SMITHURST, Margaret	Joined the Committee seven seasons ago to become more involved in the Falcons. I could not have become more involved if I tried and my aim is always to do the best for the Supporters Club, the Falcons and their supporters. I'd love to be elected onto the committee for an eighth season, really to keep improving on what we have built up over the past 7 years and to carry on enhancing our Supporters Club for fantastic supporters and friends like you!
	WALTER, Stef	Avid Falcons supporter of Italian origin, who travels miles to follow her beloved team seeks a place for the second time on the Supporters Club Committee as she is suitably barmy enough to fit in. Would love the chance to once again work with fellow committee members to continue to develop this great Supporters Club and bring more social events like Ladies Night for all to enjoy.
