

MANAGEMENT COMMITTEE

Please find below the names of all those who are standing for election to the Management Committee of the Newcastle Falcons Supporters Club.

NAME		PEN PORTRAIT
	BRADLEY, Julia	My second season standing for the committee – and fourth as a season ticket holder. Hoping to continue helping with the Social Programme for the Supporters and to continue helping committee as a whole. Attend most home games and most away last season – sometimes with the assistance of alcohol to numb the pain from the early morning starts!
	NERGAARD, Kevin	I've just completed my fifth season as treasurer and I guess I must be enjoying it as it certainly doesn't feel like it's been that long. In that time we have managed to reverse the trend of making unsustainable losses and actually made a small profit in the 2009/10 season. I would like to stick around as a member of the committee and try to make sure that happens again next season.
	RICHARDSON, Steve	Standing for the committee for the 4th time for the coming season after 3 very successful seasons as travel co-ordinator and helping organise new events like The Mickys, 80s night and even brought Elvis back for Christmas. Our team may not be top of the league but I'd like to carry on helping our Supporters Club get there working closely with the club and an excellent committee team.
	EVANS, Keith	I am a massive rugby fan and have been a season ticket holder for 5 years, and attended most of the games prior to this. I have travelled to most of the away games this season, as well as all the home games, and have been part of the supporters club for several years now. Being friendly and approachable, I would like the chance to work with the committee in continuing to enhance a great supporters club to the benefit of its members and the Newcastle Falcons.
	SMITHURST, Margaret	You all know me!! We have the best Supporters in (and out) of the country. Being involved with a Supporters Club which is moving forward and becoming more successful with time is important to me. The Supporters Club winning the "Clubman of the Season" award in May was the highlight of the past nine seasons for me, apart from meeting all of you of course!!
	ATKINSON, Dawn	I am a devoted Falcons fan who has held a season ticket for 5 years and a member of the supporters club; I have attended all homes games and the majority of away games. I am keen and enthusiastic to join the Supporters Club Committee for the first time to have the opportunity to be involved in an already established supporters club and to continue to develop the great efforts of the Committee in any way I can for the good of the members and the Newcastle Falcons.
	TOLFREY, Steve	A Falcons season ticket holder for the last seven years and a member of the SC for six of those. I have travelled to most of the foreign away games in that time. I attend SC events and appreciate the time, expertise and effort that goes into them. I want to give back to the SC in return for the benefits and sense of comradeship I have received over the last few years. My background is of administration and organisation in both public and private sectors and would be pleased to share this expertise for the benefit of the SC and Newcastle Falcons.

	DAWSON, Natalie	I have been a Falcons fan for the best part of 10 years although for some of those I supported from afar (whilst living in New Zealand). I used to spend many a cold and wet afternoon in the North Stand but have now moved to the South Stand. I have made a lot of friends through the supporters club, I love travelling to away games and attending supporters club events. It was fantastic to see the Supporters club get the recognition it deserves recently at the Big Bash and I want to bring my energy and enthusiasm to help continue the good work.
	DARGUE, Derek	My son Ethan and I have season tickets in the East stand. We enjoy rugby as a family and often bring along "extended" family to watch the Falcons. I am a qualified rugby coach for under 10's at Northern Rugby Club in Gosforth. I have enjoyed being a member of the SC, attending away games and various talk-ins and functions. Ethan and I have travelled to 6 away games this season. I am keen to be more involved in the SC to help promote and get more people interested in joining. I am offering my time, passion, commitment, focus, knowledge, networking and personality and will do my best to "tackle" anything that is asked of me.
